

**Tactile Technologies exhibiting at  
Business Unlimited Expo  
in East London**

**Cape Town – October 2007**

The trade fairs Business 2 Business and Inkanyezi (BEE Expo) have joined forces to put together one expo for East London, the Business Unlimited Expo. The new Business Unlimited venture will focus on creating a platform for buyers and sellers to communicate on a face-to-face basis in order to forge lasting and mutually beneficial relationships. This exhibition will provide businesses with the platform to develop new business ideas, to improve their own business strategy and to upgrade their database of buyers and suppliers.

Tactile will be displaying the latest Elo touch screen monitors and touch screen computers. Also on display the MediaTile Cellular Digital Signage solution.

Please visit our stand no 6 and contact us if you wish to make an appointment beforehand. You can phone Tiziana Mercuri on 021 555 6961 or via email [sales@tactiletech.co.za](mailto:sales@tactiletech.co.za).

The expo has been endorsed by among others: University of Fort Hare, Eastern Cape Development Corporation, Buffalo City Municipality, Amathole District Municipality, Development Bank of SA.

The Business Unlimited Expo is taking place on the 24th and 25th of October at the Christian Centre in Abbotsford - East London. Doors open at 10am and close at 5pm.
